LABEL-A-BIRD

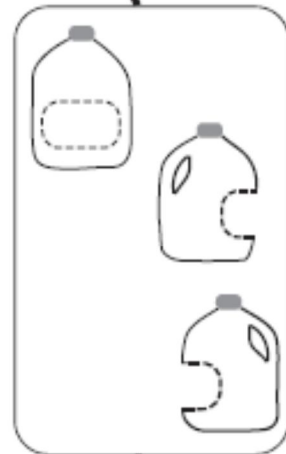

BIRD FEEDER SUPPLIES

- Clean, empty milk jug
- Craft knife
- Scissors
- Permanent marker
- String
- Ruler

1. Cut out template at the bottom of this page.
2. Centre template on the milk jug; trace around it with a permanent marker.
3. Using a craft knife, carefully make 2 vertical cuts, following the lines.
4. Use scissors to round out the corners, and continue cutting along horizontal lines.
5. Making drainage holes: with the craft blade extending only $\frac{1}{2}$ cm. beyond the safety track, press the point of the blade into the bottom of the container, making 15 to 20 small slits for drainage. Be sure to make these slits from inside the container.

22.5cm (9 inches) WIDE

13.75cm (5 1/2 inches) HIGH
